# MEDIEVAL JOUST & TOURNAMENT

THE YEAR IS 1471 AND WILLIAM FITZALAN, 9TH EARL OF ARUNDEL, HAS MUCH TO CELEBRATE. NOT ONLY HAS THE HOUSE OF YORK TRIUMPHED OVER THE HOUSE OF LANCASTER DURING THE WARS OF THE ROSES, BUT THIS YEAR SEE'S THE BIRTH OF HIS FIRST GRANDSON.

With the country finally at peace, and his lineage secure, the Earl celebrates with a jousting tournament. He invites knights from France, The Holy Roman Empire (modern day Germany) and England to compete in jousting and in a foot tourney, set in the grounds of his 11th century castle at Arundel.

Destrier Pro HE Ltd will be returning for an exciting and thrilling 6 day Jousting Tournament at Arundel Castle. Supported by the knights and men-at-arms of Raven Tor, Distant Trumpets story teller, the musicians of Roughe Musike, and a host of crafts, displays and entertainment, this promises to be the largest Medieval Event the castle has undertaken.
