

OPUS ARTE

cinderella

Christopher Wheeldon's acclaimed new *Cinderella* for the Dutch National Ballet is an imaginative interpretation of a much-loved classic. Inspired by the original Brothers Grimm fairy tale, Wheeldon gives the characters renewed depth and complexity, complementing Prokofiev's celebrated and colourful score. With sets and costumes by the renowned designer Julian Crouch, supported by stunning stage effects, this world premiere production is a truly magical experience, bringing an age-old fairy tale into the 21st century. Filmed in High Definition and recorded in true Surround Sound.
