HENRY V

Capped by one of the most famous speeches ever written, Shakespeare's *Henry V* recalls a truly great English victory. With comic sub-plots to be found among Henry's soldiers, the production boasts some terrific performances – including Sam Cox as the 'splendidly unhinged' Pistol (*The Daily Telegraph*). In the title role is Jamie Parker, who 'casts such a rapt spell that you feel the entire audience would rise up to march behind him' (*The Independent*). Filmed in High Definition and true surround sound.

Spoken in Shakespeare's English with English and German subtitles
