What the press said:

Swan Lake “...The production as a whole is beautifully formed and dramatically convincing... And praise, too, for the corps, who made us feel the sorrow and anger of the swans' collective misfortune.” *The Times*

The Sleeping Beauty “...Alina Cojocaru's Aurora was the ballet's radiant centrepiece, charming, in control and filled with a palpable delight in every pretty step.” *Times Online*

The Nutcracker “...One of the very best seasonal treats for children and adults alike, the Royal Ballet's Nutcracker is a handsome, magical, thoroughly traditional rendering of ETA Hoffmann's immortal if deeply strange story...” *Sunday Express*
