PYOTR IL'YICH TCHAIKOVSKY 1840-93 THE CLASSIC BALLETS

This special collection brings together three definitive Royal Ballet performances of Tchaikovsky's celebrated masterpieces: the tragic and gloriously romantic *Swan Lake* in Anthony Dowell's acclaimed production, Monica Mason's enchanting and visually striking *Sleeping Beauty* based on the classic 1946 production, and the enduring Christmas favourite *The Nutcracker* at its most captivating in Peter Wright's timeless production. The collection is a showcase for The Royal Ballet's inimitable style and virtuosity. Filmed in High Definition and recorded in true Surround Sound.
